

Supplemental Educational Services

Parents, did you know your child could receive FREE tutoring?

If your child receives free or reduced lunch, is non-proficient, and attends Hendricks Elementary School, your child qualifies for FREE extra help in English, Reading, Math and/or Science. Come hear about this new program:

Meeting Date: Thursday, Sept. 24

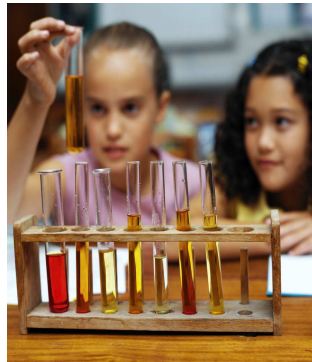

Time: 6:30 - 7:30 p.m.

Place: Hendricks Elementary School

This free tutoring, called "Supplemental Educational Services" (SES), is available before or after school, on weekends, or in the summer. You will have an opportunity to hear from the SES Providers and educators from Shelbyville Central Schools. Sign up material will be provided at this meeting.

If you are unable to attend and are interested in enrolling your child in the SES program, please choose a tutoring organization that best meets your child's needs from the enclosed provider list and return the enrollment form to Mr. Lumbley, Hendricks Principal by Oct. 2, 2009. If you are not interested in free tutoring for your child, please fill out the bottom portion of the form and return it to Mr. Lumbley also. If you have questions, you may contact Mr. Lumbley at 398-7432 or Mrs. Larrabee, Title I Director at 392-2505.
